PROBOLINGGO - Polres Probolinggo Polda Jatim, memusnahkan puluhan ribu

bottle of hard liquor of various brands approaching the end of the year. Besides that 60 thousand dangerous pills (over-the-counter) also participated in the destruction.

Kapolres Probolinggo, AKBP Teuku Arsyah Khadafi mengatakan, ada sekitar 1.105 bottles of liquor that were destroyed, consisting of 877 bottles of rice wine and 228 bottles of rice wine.

"Besides that there are 30 thousand pills consisting of 10 thousand pills of trihexyphenidyl and 20 thousand pills of dextromethorphan that we also destroyed," said AKBP Arsyah, Friday (23/12/2022).

AKBP Teuku Arsyah added, the destruction of liquor and hard liquor is a step to create a sense of safety and comfort in the community, especially approaching Christmas and New Year 2023.

"Because hard liquor and hard pills are often becoming a trigger for criminal acts and crimes," said AKBP Arsyah.

He hopes that with this destruction it becomes a lesson for the community and brings a sense of safety and comfort at the end of 2022.

AKBP Arsyah also conveyed, compared to the previous year the trend of alcohol consumption and use of hard pills has increased two-fold.

"Community activities that are increasingly loose after the pandemic are suspected to be one of the factors," said AKBP Arsyah.

Besides that, he also said that the police officers can also be more active in increasing the results of the operations.

In this destruction of liquor and over-the-counter pills, it was also done to destroy the illegal alcohol and over-the-counter pills that were the result of the raid approaching Christmas and New Year.

“Knalpot Brong juga kita musnahkan hasil operasi pada bulan ini terhadap kendaraan yang tidak memenuhi standar pabrikan,” pungkas Kapolres Probolinggo. (*)
